TICKETS:

Love INC (Love In the Name of Christ) is a movement to bring the talent, time, and treasure of the Body of Christ—the Christian congregations in a community—together to minister in meaningful and specific ways to people in need in our community.

Love INC (of Linn County), receives an average of 7,000 calls for help annually with specific and practical needs. Love INC currently works with more than 35 churches in Linn County.

The **Love INC** annual budget is made up mostly from church donations and individual support.

This fundraising event is to promote **Love INC** as well as to help support the funding of this ministry. This year's speaker is **Arwen McGilvra**.

Arwen is the website & social media manager for LoveINC and ServeINC. She's also the Sunday morning coordinator for the children's ministry at her church. Her heart is for children to know Jesus and grow in the grace and knowledge of him.

She has a passion for the farm land that surrounds us, passed on by her grandparents George and Liz VanLeeuwen.

Arwen and her husband Douglas live at her grandparents farm house in Halsey. The message she brings to our fiesta fundraiser is one that has been brewing in her heart for a couple of years. Inspired by the song Scattering by Geoff Moore & The Distance she will talk to us about how together with LoveINC of Linn County the church can be more fruitful than ever.

October 11th at the Linn County Fair and Expo Center Love INC of Linn County will be hosting their Dinner, and Silent Auction, "**Fiesta Fundraiser**". Great fun for all! Support the mission of Love INC and enjoy a great night together.
